# Softpessare – Incontinence Tampon made of silicone foam

Incontinence is a serious problem for many women worldwide. A therapy is to wear a Tampon. Thanks to more than 20 years experience in this sector, we can introduce you now a innovation, that eliminates a lot of drawbacks from the previous tampons: **the Incontinence Tampon manufactured from medical grade silicone foam**. Cystocele and rectocele with stress incontinence can easily be repositioned with this.

## Test Samples

ask for free test samples

Ask for a free test sample (size 3, Ø 30, L 70) from our new soft pessaries. Just complete all required information and return the postcard by fax or email to us.
